

**17th Congress of the
International Society for Peritoneal Dialysis**
VANCOUVER, CANADA | MAY 5-8, 2018

The 17th Congress of the international Society for Peritoneal Dialysis (ISPD) will be held in Vancouver, May 5-8, 2018. The theme for the event is Patient-centred Care – A Different Kind of Meeting.

The conference guiding principles:

- Empower storytellers and innovators from all over the world, and most importantly hear from our patients who will share their experience and stories.
- Ensure every attendee can truly say they learned new information that changes practice.
- Attendees will discover & meet up with colleagues who share similar interests, while making new professional connections that will last well beyond the meeting.
- Use debate, controversy & novel session formats to drive engagement.
- Provide unique experiences & opportunities to gain practical skills.

Early Bird Registration will open soon! Be the first to lock in at the discounted rate and be entered in to win a prize, from local restaurants and attractions! Prizes are limited.

Look for a first draft program to be posted in the coming months.
