

People in the Renal Network

Welcome to Sarah Thomas

Renal nurse Sarah Thomas has joined the BC Renal Agency's Home Therapies team as a Project Manager, supporting both the Home Hemodialysis and Peritoneal Dialysis committees.

Sarah is well known to the BC renal community through her work as a Clinical Nurse Leader for Home Hemodialysis with Providence Health Care, and for her work with the NxStage rollout team.

In 2014, she received the BC College of Registered Nurses Award of Excellence in Nursing Education.

New FH renal director

Fraser Health has announced Warren Hill as its new director of clinical operations for renal services, effective March 1, 2017. Warren has an extensive background in clinical operations, quality improvement and chronic disease management.
