

Dear CYM Friends,

I am writing on behalf of IPASC, the Interim Program and Support Committee, which is looking at programming during this 2020 pandemic year. We have been working since the beginning of April. The group includes members of Program Committee, along with members of Education and Outreach Committee, Publications and Communications Committee, Continuing Meeting of Ministry and Counsel, Contributions Committee and Canadian Young Friends Yearly Meeting.

We have written a survey to ask Friends about their interests. The survey is anonymous, and we will summarize what we learn.

Here is a link to the survey: <https://forms.gle/8CBz4TVu6K5wkpgj7>

We have created a webpage at <https://quaker.ca/yearlymeetinginsession/welcome/> where we will be posting planning information. You can always check on that page and get the latest information.

We will send update letters through the CYM office mailing list to Clerks of Monthly Meetings and Clerks of CYM Committees.

We will also be sharing information on the Facebook private CYM group: Canadian Quakers (CYM).

Please share this survey with those in your meeting. We look forward to planning our adventure together with you.
